

CUSTOMER TESTIMONIAL
PMI, BLOOD DONATION UNIT KAB., CIREBON, INDONESIA

ABOUT OUR CUSTOMER

In this testimonial, we speak with Dr. Josepath Suwanta Sinarya, M.Kes., FISQua, Head of UDD **PMI Blood Donation Unit Kab. Cirebon, Indonesia**, to learn how B Medical Systems' products and solutions support their daily operations. He shares his experience and the impact our solutions have on maintaining the quality and safety of blood components and fresh frozen plasma.

INTERVIEW

01. Could you explain what your activities consist of?

"I am the Head of the PMI Blood Donation Unit (UDD PMI) Kab. Cirebon and the CEO of Unimedika Hospital Group. I work at the office every weekday."

02. Why is there a need for blood storage in your business?

"I need storage solutions for blood components and fresh frozen plasma (FFP) that offer good performance at an affordable price."

03. Which products did you buy from B Medical Systems? For which purpose?

"I purchased one Ultra-Low Temperature Freezer U701."

04 *What are the features that you like the most? Could you please talk about the performances of the devices?*

"The ultra-low temperature unit is working well, the temperature meets the -80°C specification, I am satisfied"
